

LD10 Board Meeting
March 6, 2019
Murphy-Wilmot Library
5:00 - 7:00 PM

Attending: Rebecca Crow, Stephanie O'Leary, Bonnie Heidler, Nick Arnold, Judy Falconer, Andy Flach, Zoey Fife, Marshall Coyne, Greer Warren, Marion Chubon.

Call to Order: Chair Bonnie Heidler @5:00 PM

Chair's Opening Comments: Big agenda - started with Committee reports.

Committee Reports:

Fund Raising: Zoey - St. Patrick's Day fundraiser - 3/17/19. Expecting Ann Kirkpatrick, Mark Kelly, and Mayoral candidates. Cat Ripley's group will provide the music. There will be a petition table. Can we have access to the names of attendees for f/u?

Fund Raising events for the year -

Udall Dinner on April 13.

There will be an early summer Beer Tasting - time and day TBA. Looking for donor solicitations. Other events as mentioned at 2/7 meeting.

Membership: Stephanie - We will start handing out our new brochures via the Territories. We saw a good turnout at the 2/16 Town Hall. Thank you notes were sent to some attendees. Andy was thanked for his contribution to the Territory Launch meeting. The State Party is stepping up to host Train the Trainer sessions for our 2020 efforts. College juniors are being recruited by the DNC to help - the Party is aware of past problems and are working to correct those.

Communications: Andy - announced that there will be an intro to Twitter for those who do not know how to use it. Susan Stumpf-Hebert will live tweet our next General Meeting.

Data Team Committee - Nick - Discussed his plans for developing needed data going forward. Working on defined Neighborhood Projects in individual precincts.

Diversity Team - Nick - There will be diversity education for the Board on 3/13 at PCDP HQ with Lanay Lindsey and Sarah Bahnson presenting.

Community Action: Judy stated that current projects continue. Greer stated that the monastery is in need of help with all of the immigrants that are seen there daily. They have 200+ plus people nightly. Their stays are short because they are being moved to other locations. All volunteers must complete Safe Environment training. Their needs are great.

Hospitality: Sandi sent word that she was willing to help us with our baskets when it is our turn to do them for the raffle.

Voter Ed - Greer - continues to host RTS Office Hours. The goal is to have as many people as possible ready to go for the 2020 elections.

New Business

PCDP Summit - Bonnie - The Pima County LD chairs met. Richard Gooding of Az Blue 2020 addressed the group and heard concerns about the directions given to canvassers in the 2018 election. Local people need to direct those coming in to help with the election. Bonnie will be setting up the first of monthly meetings with her peers.

Executive Committee - Marion and Greer - The Tucson Families Free and Together Initiative passed the Board by 75%.

Treasurer- Marshall presented the new proposed budget. Brochure expenditure removed since our State Representatives paid for them.

Discussions - Notify PCs and Volunteers that our next meeting will be at Headquarters because of a scheduling conflict at the church.

We are working on setting up a candidate forum for candidates to speak to LD10 so they don't have to at General Meetings.

We will have ongoing PC training at the meetings so they are prepared to respond to what is currently going on.

Ann Kirkpatrick will be hosting her first Town Hall since her election. Time and place TBA.

Meeting adjourned at 7:00 PM by the Chair

Submitted by:
Judyth Falconer
Secretary LD10
